

WAREHOUSE SUPERVISOR

PD Ports has an exciting vacancy working at PD Port Services as a Warehouse Supervisor, predominately based at the Billingham Site.

The overall purpose of the role is to lead a team of administrators, to support the operations team and deliver a first class service to our customers and consumers. The main duties are to manage a team of operatives, complete all required tasks and to support the Operations Team to deliver the contracted logistics service to our customers.

The successful candidate will have experiencing of:

- Managing a team and understanding process and working in line with company procedures and policies
- Be able to communicate effectively at all levels
- Be competent in prioritising tasks/activities
- Have the ability to resolve day to day operational issues efficiently in order to drive performance and productivity upwards
- Be competent in IT skills including word and excel
- Possess good problem solving skills

This is a challenging and rewarding role, candidates must be capable of demonstrating the ability to manage and work within a team to ensure consistency and deadline targets, as well as be practical, participative and flexible.

If you are interested in applying for this opportunity, please submit a detailed C.V. and covering letter outlining your relevant skills and experience to:
