Coronavirus (Covid-19) Customer/Visitor Questionnaire

PD Ports has implemented a short COVID-19 compliance questionnaire for all visitors to our UK sites in order to ensure the health, safety and wellbeing of all employees, customers and visitors.

What to expect when visiting us:

The site you are visiting has been risk-assessed and has been issued with a PD Ports COVID-19 compliant certificate. This means that measures have been taken to ensure that the building meets the requisite standard in line with government guidance.

Rooms have been sanitised and social distancing measures must be practised.

Face coverings continue to be a requirement (except for those medically exempt) inside occupied, shared buildings and where two metre social distancing is unlikely to be maintained.

Before visiting, you are required to confirm the following:

That you are not displaying any of the COVID-19 symptoms namely: a high temperature, a new, continuous cough, a loss of, or change to, your sense of smell or taste.

That you do not co-habit with anyone displaying COVID-19 symptoms or who is self-isolating as a result of testing positive for COVID-19.

All site visitors are expected to follow increased levels of personal hygiene:

- Wash your hands on arrival and departure
- Wash your hands after using the rest room and wipe down any areas you may have touched
- Where possible carry and use hand sanitiser
- Do not shake hands or make physical contact. The 2m social distancing rule must be maintained at all times
- Wear a face covering (except for those medically exempt) inside occupied, shared buildings and where two metre social distancing is unlikely to be maintained

Name:

Company:

Date of visit:

By ticking this box you have agreed to have read and understood the above ☐

We recommend that you continue to follow updates and latest advice on how to protect yourself through Government announcements, Public Health England and the NHS.
