

NOTICE TO MARINERS

Project: Ecofisk Nearshore Pipeline Inspection

Client: Conoco Phillips

Date of Issue: 27th June 2021

Mariners are advised that the survey vessel, *MV Titan Endeavour* will be conducting a detailed Multibeam Echosounder (MBES), Sidescan sonar and Sub Bottom Profiler inspection of the nearshore 5km of the 34" Ekofisk 2/4J to Teesside (Norpipeline) Oil Pipeline (PL2027) at the landfall in Teesside. The survey will be conducted between 27th and 28th of June 2021 (weather dependant) and is anticipated to operate the nearshore section at high tide. Operations will be approximately 12 hours quay to quay during daylight hours.

The Titan Discovery will be displaying the relevant IRPCS day shapes and will be restricted in their ability to manoeuvre. Towed gear will be in operation and towed approximately 20-50m behind the vessel and an exclusion zone of 200m is requested.
