QUAY MAINTENANCE – POWER STATION INTAKES

PD Teesport hereby gives notice that phase 2 of quay maintenance works at the Power Station Intakes are now expected to continue until February 2022.

The works, which are being conducted from a pontoon arrangement, involve the removal of defective concrete, inspection and replacement of rebar, installation of anodes and the application of new concrete to the structure.

The following craft are involved in the operations:

- Sea Eagle
- Sea Minion
- Beaver

The working area is highlighted below in **RED**:

Slow passing is requested whilst the pontoon arrangement is in place at the Power Station Intakes.

Further information is available from Tees VTS on VHF Channel 14 or telephone 01642 277205.

NOTE: Owners, Agents and Charterers should ensure that the contents of this Notice are made known to Masters or persons in charge of their vessels or craft.
