

NOTICE TO MARINERS Rev 03
Gardline Equipment Tests
Issued 30th June 2021

1. INTRODUCTION

Please be advised that Gardline will be performing scientific equipment tests offshore Teesport; the location of which is displayed in **Figure 1**.

All offshore operations will be conducted and managed by:

Gardline Limited, Endeavour House, Admiralty Road, Great Yarmouth, Norfolk, NR30 3NG.

2. AREA OF OPERATIONS

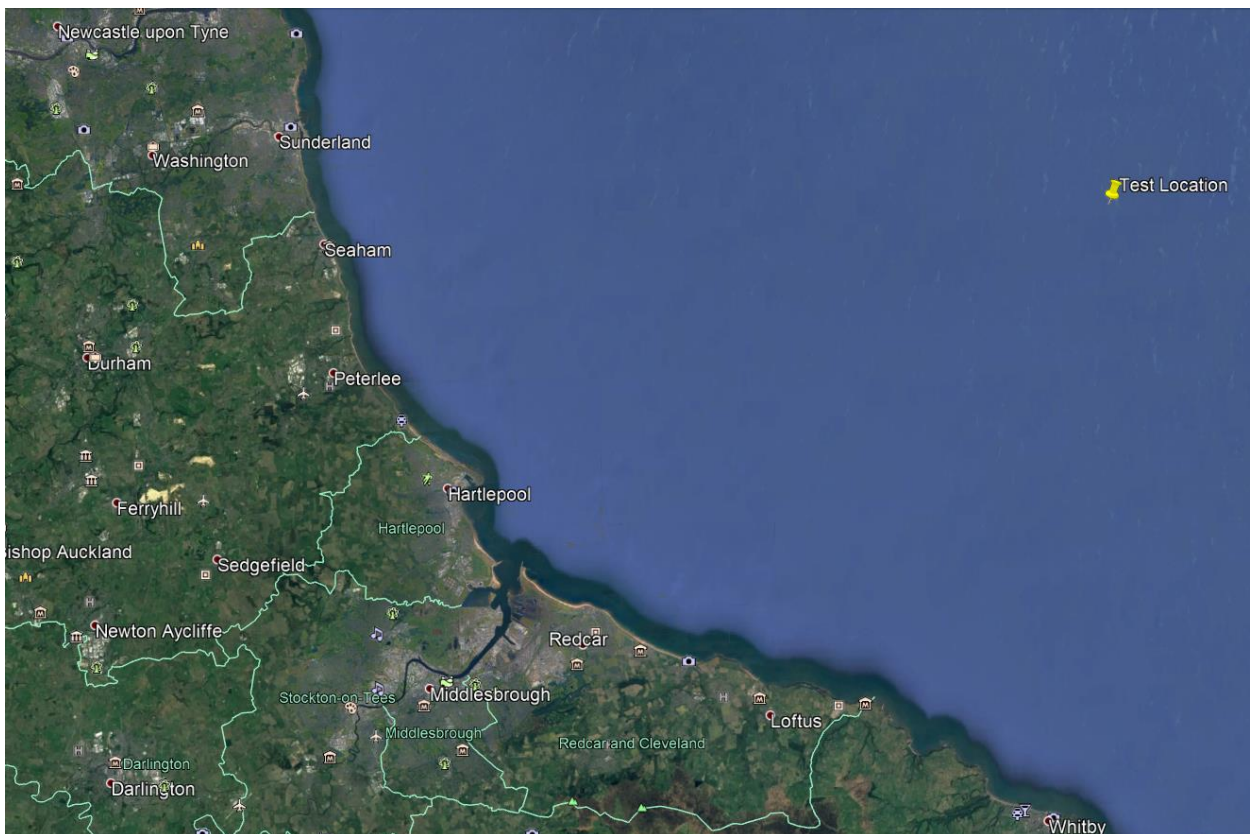

FIGURE 1: LOCATION OF THE TEST LOCATION IN RELATION TO UK COASTLINE

Coordinates are 54°51'N ; 00°31'W (WGS84)

3. INVESTIGATION

The seabed operations are being undertaken by the M.V. Horizon Geodiscovery (**Figure 2**) and are expected to take place within the area for a period of two days between 1st and 8th July. All vessels are requested to remain at least 500 m clear.

Operations with the Horizon Geodiscovery will be conducted on a 24-hour basis.
