# NOTICE TO MARINERS NO.32 OF 2021

Issued by the Harbour Master on 17 September

**NORTH-EAST COAST OF ENGLAND**

**RIVER TEES**

**TEESPORT CONTAINER TERMINAL 1**

PD Teesport hereby draws the attention of Mariners to a change in berthing procedure for vessels bound to and sailing from TCT1. This has been established due to re-configuration of the quayside infrastructure.

PD Teesport advises that, whenever a vessel is bound to TCT1, during the River transit between No.14 & No.16 Buoys, the Master or Pilot should establish communications with TCT Control Room on VHF Channel 13 to verify that the container cranes will remain stationary on the commencement of mooring operations.

Mooring/unmooring operations must not commence until confirmation is received from TCT Control Room that the cranes will remain stationary.

Further information is available from TEES VTS on VHF Channel 14 or telephone 01642 277205.

**NOTE:** Owners, Agents and Charterers should ensure that the contents of this Notice are made known to Masters or persons in charge of their vessels or craft.
