MOORING OF SMALL VESSELS/FISHING VESSELS IN THE PORT OF HARTLEPOOL

PD Teesport hereby draws attention to the following in respect of the mooring of small vessels/fishing vessels in the Port of Hartlepool:

1. In accordance with the PD Teesport Limited General Directions, the Master of a small vessel/fishing vessel must ensure that:
 - (a) the Master must not take any steps that render the vessel's main propulsion or steering systems inoperable, without first obtaining the permission of the Harbour Master and complying with any conditions the Harbour Master may impose;
 - (b) where a vessel's main propulsion or steering systems become inoperable for any reason, the Master must immediately inform the Harbour Master, providing any further information that the Harbour Master may require and complying with any conditions that the Harbour Master may impose.
2. In accordance with the Tees and Hartlepool Harbour Byelaws 1977 & 1985, The Master of a small vessel/fishing vessel must ensure that:
 - (a) a responsible person, competent to supervise the loading or discharging of the vessel, shall at all times be on onboard during loading or discharging.
3. Masters of small vessels/fishing vessels are also advised that:
 - (a) the Fish Quay must be clear for large vessels (over 150m OAL) entering or departing Hartlepool and barge movements, as determined by the Harbour Master;
 - (b) vessels over 150m OAL normally enter or depart Hartlepool 1 hour before high water;
 - (c) vessels should not be left unattended on the Fish Quay without the expressed permission of the Harbour Master;
 - (d) TEES VTS will provide notification to Hartlepool Fish Company Ltd in advance of large vessel and barge movements, which require the Fish Quay to be clear.

Further information is available from TEES VTS on VHF Channel 14 or telephone 01642 277205.

NOTE: Owners, Agents and Charterers should ensure that the contents of this Notice are made known to Masters or persons in charge of their vessels or craft.
