

## WASTE STREAM COSTS 2022

### Items either in excess or additional to garbage levels levied by Port Authority

PD Ports levies each vessel for the use of the waste disposal facilities provided under MS (Port Waste Reception facilities) Regs. 2003.

Under this levy vessels may discharge waste free of charge. This waste is standard ships garbage and up to 50% of the allotted volume may be galley waste. The quantity allotted free of charge, is:

Vessels up to 1,000 grt	1 m <sup>3</sup>
Vessels between 1,000 and 4,000 grt	2 m <sup>3</sup>
Vessels over 4,000 grt	3 m <sup>3</sup>

The allotted general garbage does not include larger items, such as pallets & furniture, sewage, scrap metals or hazardous waste. These items, along with quantities over and above the allotted volumes, will be charged by Svitzer Marine Limited to the vessel's owner, normally via the ships agent.

*(all values, e.g. tonnes, m<sup>3</sup>, drum, etc, include 'or part thereof')*
