

Advanced Electrician Middlesbrough

The Role

Are you a time-served Electrician looking to join a leading UK Port Operator? PD Ports is seeking an experienced, qualified Advanced Electrician in Middlesbrough to carry out maintenance work on all building and site electrical items. This is an exciting opportunity to join a prestigious company, and you'll also have the opportunity to explore flexible working arrangements.

The purpose of the role is to ensure all electrical equipment within the port environment is serviced and maintained as per the manufacturer's recommendations.

If you were already working for us in this flexible role, here are some of the things you would have done this week:

- Responded to breakdowns and diagnosed and repaired all aspects of electrical equipment throughout the site
- Carried out new electrical installations across the site, working to BS7671
- Worked outside in all weather conditions and at heights.

The Candidate

The ideal candidate will hold a professional qualification and will have finished a formal apprenticeship, with relevant experience, preferably within a heavy engineering environment. Training will be provided to the successful candidate.

In return for your dedication, collaboration and commitment, you will receive a generous salary and benefits package, including sick pay scheme, cycle to work scheme, employee assistance programme for personnel support (health, finance, etc.), ongoing training and assessments to develop individual skills, and company pension scheme (up to 6% company contribution).

Please get in touch with the PD Ports team today to apply for this full-time Advance Electrician position in Middlesbrough. We're looking forward to meeting you.

The Company

PD Ports is one of the UK's biggest and most progressive port groups with a reputation for excellence gained from decades of experience and a highly skilled workforce. PD Ports employs over 1,400 people nationwide whilst also operating one of the most ambitious apprenticeship programmes in the maritime industry as part of its ongoing commitment to supporting the next generation.

If you are interested in joining the team at this exciting time, please submit a detailed C.V. outlining your relevant skills & experience along with a cover letter reference AEM-234 to: hr.recruitment@pdports.co.uk

Closing date: Wednesday, 5th April 2023
