

General Operative Immingham

The Role

At PD Ports, we support our staff to create a work-life balance which works for them and welcome candidates looking for career flexibility. We are currently seeking a General Operative in Immingham, and the role comes with a favourable salary and benefits package. There may be a requirement to work in various locations within the PD Ports group, providing cover as required in line with business needs.

The General Operative will report to the Contract Manager and work in a team at the warehouse, using plant equipment (e.g. FLT's, loading shovel and reach stacker).

The work in a typical week will vary between warehousing/devanning containers and handling bulk materials outside. The environment is dynamic and offers a constant challenge, so you must be able to thrive in such an environment, adopting a safety-first philosophy, complying with safe systems of work, risk assessments and company policies and procedures.

The Candidate

To apply, you must be highly motivated and committed to a Safety First philosophy and able to comply with safe systems of work. Experience in slinging, rigging, mobile plant operations is desirable, but not essential, as the company will provide full training through our nationally accredited programmes. In addition, you must possess a high standard of numeracy, literacy, IT skills and the ability to work under your initiative or to precise instructions. As a vital member of our team and in return for your expertise, inclusive approach and commitment, we will provide a favourable salary and benefits including internal training and Safety Passport Training, sick pay scheme, cycle to work scheme, employee assistance program for personnel support (health, finance, etc.) and company pension scheme.

We'd love you to apply for this full-time General Operative position in Immingham, and we're waiting to hear from you. Please contact PD Ports today.
