

LGV Driver Felixstowe

The Role

PD Ports is looking for an artic LGV class 1 driver to join our Felixstowe team. The successful candidate will undertake curtain-sider work and carry out container deliveries with nights out included each week. This full-time, flexible driver role comes with a generous salary and benefits package.

On occasions, there will be some container deliveries as well. It would be useful if you had some experience and knowledge of the London area. We use TOPS on the go. Training can be given if you have no experience with this system.

To give you an idea of how this role would look and feel, here are some of the things you could expect to do:

- Driving an artic LGV vehicle five days a week, days including nights out available in line with EU rules and regulations
- Conducting pre-use vehicle checks, load securing, and accurate completion of paperwork

The Candidate

To apply, you must hold the relevant licence. You must also have:

- A driver CPC card
- At least one year of proven experience
- Good levels of health and safety awareness

If you're looking to impact and create change positively, you will be rewarded with an excellent salary and benefits package for your inclusive and committed approach.

Don't hesitate to please get in touch with our PD Ports team today to apply or register your interest for this full-time LGV Driver position in Felixstowe. We're looking forward to meeting you.

The Company

PD Ports is a leading UK port business offering end-to-end supply chain solutions, employing over 1,400 people in the UK. With headquarters based in the North East of England, PD Ports owns and operates the UK's third largest port by volume. Operating out of 12 key ports and logistics centers across the UK, we are committed to retaining and developing talent nationwide.

If you are interested in joining the team at this exciting time, please submit a detailed C.V. outlining your relevant skills & experience along with a cover letter reference LGV-184 to: hr.recruitment@pdports.co.uk
