

## Operational Excellence Instructor Groveport

### The Role

PD Ports is looking for a talented and inclusive Operational Excellence Instructor to join our inclusive team in Groveport. The full-time role comes with a salary of up to £40k p/a depending on experience and a generous benefits package.

Reporting to the L&D Team Lead for Operational Excellence, you will assist in the development and delivery of Operational and Technical curriculums that support our Port Operations. Instructors will be split to have a primary skillset in either Cranes or Operational Plant and Equipment. However, you will work towards a multi-skill model and support development in all areas.

If you were already in this Instructor role, here are some of the areas you would have been working on:

- Assisting in the development and delivery of Operational and Technical curriculums that support our Port Operations.
- Having a skillset in either Cranes or Operational Plant and Equipment, you will work towards a multi-skill model and support development in all areas.

If you would like to have a chat about any of the role available, please email [daniel.mellis@pdports.co.uk](mailto:daniel.mellis@pdports.co.uk) - Group L&D Team Lead for Operational Excellence.

### The Candidate

As the roles are new to the organisation, it is essential that the team have the drive and enthusiasm to take on new ways of working and champion their use. Continuous Professional Development will be provided to enhance our Learning and Development capabilities and in turn, enhance the service we provide to our customers.
