PD TEESPORT LIMITED

NOTICE TO MARINERS NO.36 OF 2026

Issued by the Harbour Master on 11 September

NORTH-EAST COAST OF ENGLAND

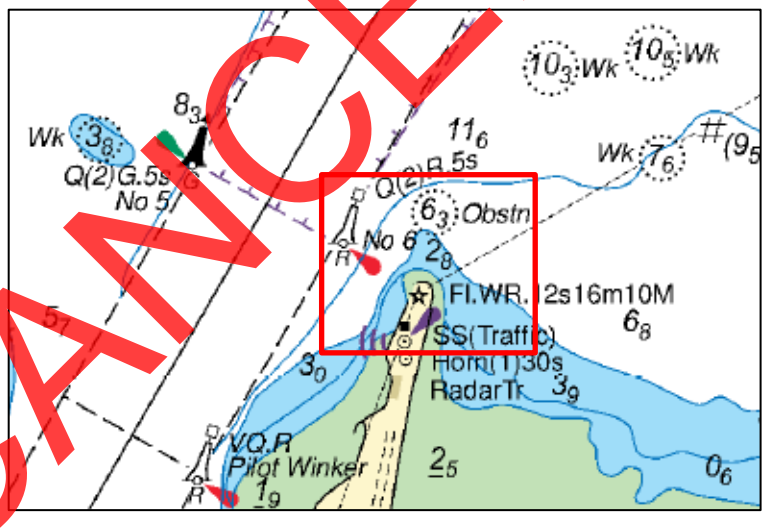
RIVER TEES/TEES BAY
RIVERSIDE RO-RO/SOUTH GARE

CANCELLED

PD Teesport hereby gives notice that, commencing on 14 September 2026 for a period of approximately 8 weeks, the multipurpose vessel "Atlantis" will be engaged in placing rock armour at the South Gare.

The "Atlantis" will load the rock armour at the Riverside Ro-Ro Berth overnight and transport it to the work site located off the South Gare Lighthouse in the morning (see area marked in red below). These timings are subject to change.

When the "Atlantis" is in position at the South Gare, passing vessels are reminded that they should navigate with such care and caution and at such speed so as not to interfere with the placement of the rock armour.



An exclusion zone has been established between the Pilot Winker Buoy and No.4 Buoy, extending out towards the South Gare, 30 metres parallel to the Channel edge. Diving is not permitted within the site boundary line.

The attached project drawing shows the exclusion zone and boundary line.

Further information is available from TEES VTS on VHF Channel 14 or telephone 01642 277205.

NOTE: Owners, Agents and Charterers should ensure that the contents of this Notice are made known to Masters or persons in charge of their vessels or craft
